B

The fact that we can take on a human form

is an indication of
the presence of a dragon on this planet.

Thus, we become part of the dragon nation on my world.

What about the egg?

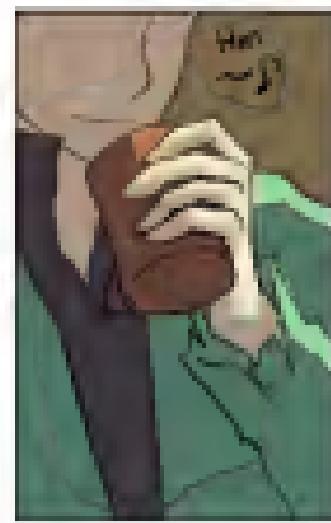

Never supposed to add that after the done!

Oh really

How is everybody
up here? I brought the
breakfast in plates...

Gyakai! This
is the life!

Yesterdays
weather really ruined
the outdoor
supper, haven't
you noticed?

There will be
rooms, but first
it just rolls!

What is your life
always spoilt in the middle
of our travels, so I can't
enjoy it anywhere else?

Now that you
mention it, it's
getting quite hot
these days.

A dragon-antelope
lives close to where
we keep things for
traveling because the
weather is so terrible!

There's always some
in here? Though there's
plenty of useful things
there, you can't
keep them.

These old
gentlemen will never
buy it for us...

They're always
nagging about how
they need to cut
back costs.

You're the
reporter this
time?

Ah... yes. My
name is B. Rollton from
Hedwin Magazine...

Hey. How long were
we carrying her?

Dunno... If there aren't
any insects that come up,
then no. It takes two or three
days to rot back!

Whether it's about
Dragons or Humans...
It is no place for us
to stick our noses
into.

My dreams don't
allow me to have
any questions
about them.

Hey Ralton, what's up?

I'm Ralton.

Hi, I am.

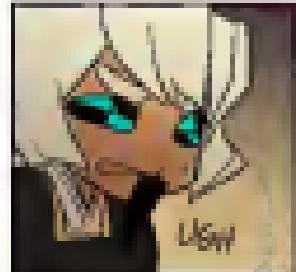

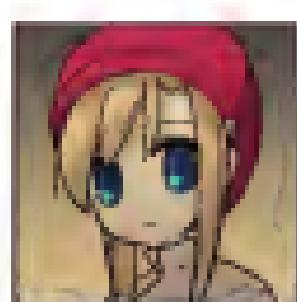

Yeah, Ralton.

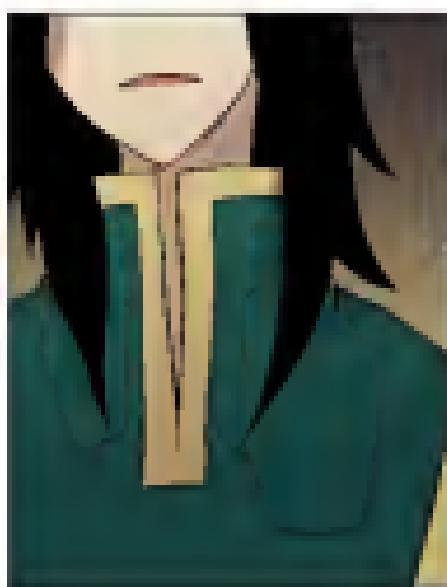

Never gonna
be another as perfect
as you right?

Then sets down the historical moment where those young brash humans will climb as much millimeter as they can.

This bandit
named Sutton...

??

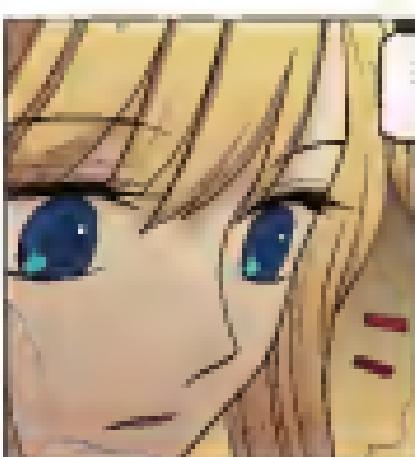

Has nothing for
Sutton as a member
of the committee now.

This can be passed
off as meaning no harm.

No, I'm
not referring to
Mrs. Sutton...

I can't believe
you'd still offer
taking a chance for
such a dragon.

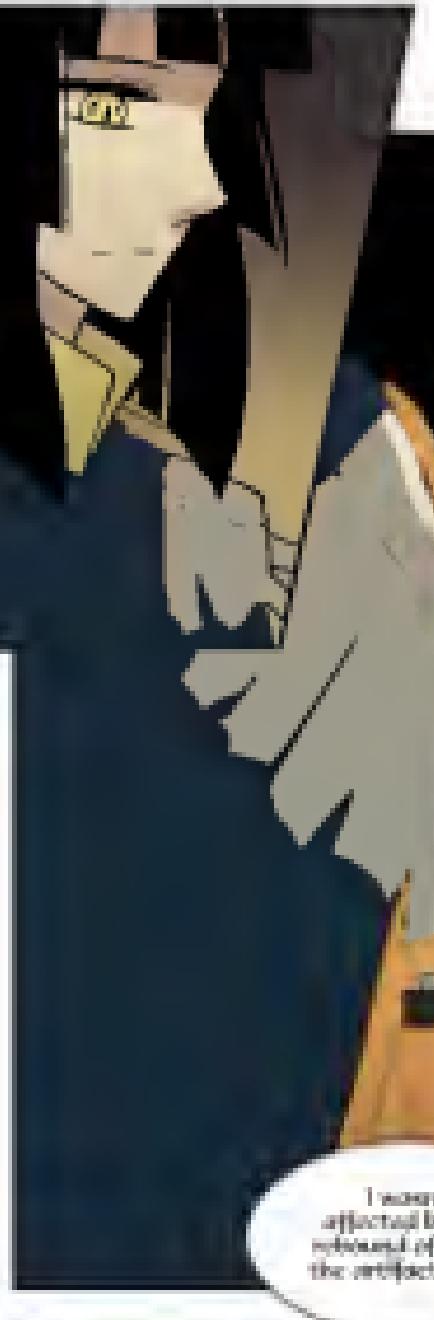

I would have died the
moment he hit me if my
dragon artifact hadn't
protected me.

I know that's
why I'm here
for this job.

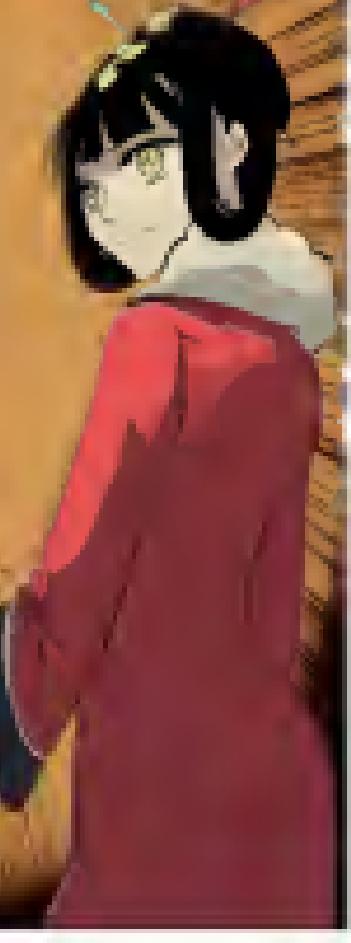

It's been almost
a year since I touched the
dragon pearl!

You're the
first person in
our generation
to do so.

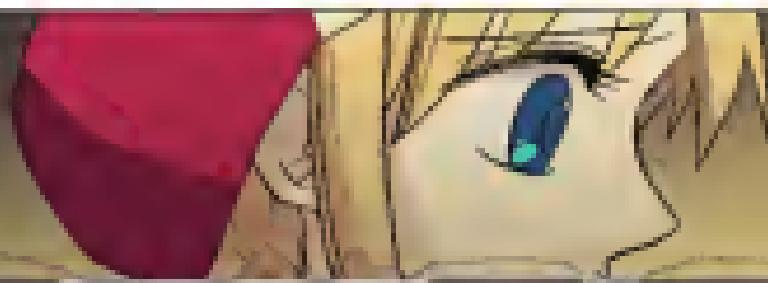

Back then, my
dragon artifact
activated through
the power of the
dragon pearl.

I wasn't
affected by the
mystical effect of using
the artifact at all.

of Parastyshe.

My apologies
for keeping you
waiting

Lady Hakuwa, I
must apologize,

we cannot
afford to stay
here any longer!

O sacred Being
controlling the Heaven
and the Earth,

THOSE UNCA...

the true ancestor
of our line...

OF THE VERY BEINGS THAT
CREATED THEM, THE
SHADOWS!

We, blessed upon
the rule of the Nine

stand before you at
this moment, and take
all pleasure in relishing
your misfortune.

THEY ARE NOTHING
BUT PARASITES,
THIEVES AND
SCAMMERS...
